

2010 CVEA Community Foundation Scholarship Awards

Copper Valley Electric Association began offering scholarships in 1991. The scholarship program was designed to assist graduating seniors with the first-year costs to attend a higher-education program which leads to a certificate or degree, through an apprenticeship program, trade, technical, or vocational school or an accredited college.

Since 1991, CVEA has provided over \$145,000 in scholarships to local students.

CVEA started the CVEA Community Foundation and the Foundation has expanded our scholarship offerings to reach out to a broader segment of the membership. A community college scholarship is now offered to help returning students and adult education students attending Prince William Sound Community College in Valdez or the Copper Basin, and the

Foundation has continued to offer scholarships to high school sophomores and juniors to attend the Idaho Youth Rally Leadership Camp.

This year, CVEA awarded \$14,500 to students in our service area.

Funding of the scholarship program comes from unclaimed capital credits that have reverted back to the Cooperative and from members like you, who have made one-time or recurring donations to the Community Foundation.

Through the Foundation and the scholarship program, CVEA is making an investment in our youth and in our future.

Please join us in congratulating the 2010 CVEA Community Foundation scholarship winners.
