## PARTNER WITH CVEA TO PROVIDE A DISCOUNT AND RECEIVE FREE BENEFITS FOR YOUR BUSINESS

### *Why should I participate in the program?*

FREE promotional benefits (see benefits) throughout the year just for offering a discount to members. Your business will enjoy a marketing advantage locally, and huge exposure statewide, and nationally.

### *What are some features of the Co-op Connections program?*

The program allows members to see participating businesses through the website or mobile app where your business will be listed, review and print coupons straight from their phone or computer, receive health savings, and get deals from national and local businesses.

### *Where can I find a list of participating businesses?*

Visit [www.connections.coop](http://www.connections.coop) to see all of the money saving deals and to shop online. The free mobile app uses GPS to pull nearby discounts. If you join, your business will be listed in both places.

### *How will customers show their coupon to receive the discount?*

CVEA members will redeem the discount through the app on their phone, show a printed or plastic Co-op Connections card, or present a coupon.

### *Will I receive signage in my business that says I'm a participating member of the program?*

Yes, CVEA will provide you with a register sticker or window cling that says "I'm a participating business."

### *Why are CVEA members using the program?*

Membership has benefits and this free program helps CVEA members save money on everyday expenses. From prescription discounts to meal & hotel deals, to local goods and services. This program does it all, and right from their phone.

### *Does it cost anything for my business to be a part of the program?*

No. This is a member benefit brought to you FREE by CVEA as part of our Commitment to Community.

### *Can I opt out if I no longer wish to participate?*

Together we will monitor the program and your business can opt in or out annually.
